California Board of Registered Nursing

Amedco is approved by the CA Board of Registered Nursing, Provider #CEP13683, for 4.25 contact hours.

Objectives - After Attending This Program You Should Be Able To

1. Understand the definition, benefit and importance of person centered care when working with individuals that have dementia and/or Alzheimer's disease.
2. Understand and identify types of dementia, differences between dementia and normal aging and important facts about interactions with that population.
3. Understand the importance of effective communication when working with dementia and the significance of the CARES approach in those interactions.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed in the program book. If their name is not listed below, they disclosed that they had no financial relationships with a commercial interest.
